ANSWER CHOICES	RESPONSES	
Yes	67.39%	31
No	8.70%	4
No, I think people will ignore it	17.39%	8
Yes, but... (please specify)	6.52%	3
TOTAL		46

#	YES, BUT... (PLEASE SPECIFY)	DATE
1	additional info might be useful	10/27/2020 3:04 PM
2	Seems like it can only help. Though I would make it a manual option by the user, part of the info bar, to stop them, for the same reason as above.	10/24/2020 1:41 PM
3	Avoid certain colours like yellows and reds - users will think something is wrong	10/23/2020 2:05 PM
